

CUE:

ALICE: At this point, I don't much care where...

CHESHIRE CAT: Then, it doesn't matter which way you go.

ALICE: ...so long as I get somewhere.

CHESHIRE CAT: Oh, you're sure to do that if you only walk long enough. In that direction lives a Hatter, and in that direction lives a March Hare. Over there is the house of Tweedledum and Tweedledee, and along that way you'll find Humpty-Dumpty on his wall. Visit any you like. They're all mad.

ALICE: But I don't want to go among mad people.

CHESHIRE CAT: Oh, you can't help that...
